- experienced human resources team, which provides effective services to individual and corporate customers,
- skilled research teams composed of specialists in their own fields, and the high quality services they offer, and
- local know-how in conjunction with the global partner's support and experience.

## THE ECONOMY BANK N.V.

The Economy Bank NV (TEB NV) was founded in 1998 in the Netherlands. TEB NV's mission is to be one of the most active and service-focused players in the Turkish and European financial markets as the TEB Group's specialized service provider in the international trade & commodity finance business line.

In 2005, TEB NV became a member of the BNP Paribas Group, which is one of the biggest financial institutions in the world. This development brought a significant contribution to TEB NV's operations and TEB NV began to offer services in 84 countries worldwide. Benefiting from BNP Paribas' credit-risk analysis systems, the Bank is focused on maintaining its growth trend with an effective business model, in which trade and commodity finance products are held separately.

TEB NV has gained prominence in the sector with its

- experienced human resources,
- small and transparent organization structure,
- strong economic structure which has emerged with risk-monitoring approaches and practices, and
- solution-orientated and tailored solutions
